“ Aunt Louise always had a smile and a warm greeting for me and my brothers when our family went to their house during the holidays. It was something we always enjoyed...as we enjoyed being in her home. Although I haven't seen her in many years, the good memories she created will always be a part of me.

“ I have only wonderful memories of growing up around my Aunt Louise. She was always the life of the party! Although she will be missed here, there are plenty up in heaven that are happy to have her with them again. :
