“ Fishing out back. Horseshoes on the side yard. Russian cream! And being the last couple on the floor during the “who’s the longest running couple” dance!! My Stars, what beautiful memories!! I will always remember Aunt Louise as a warm lovely lady filled with such sweetness and laughter! I will miss her greatly!

“ I will also miss my Aunt Louise. She was a wonderful woman. I remember visiting them at Prudenville on our motorcycle trips for a couple years. They were great memories. I loved her mint Oreo cookie dessert she made too. I was so happy to host her and Uncle Chuck’s 60th Anniversary party at our home. She was so surprised and grateful. And I’ll never forget her trademark saying “My Stars”. We miss you Aunt Louise and we love you.

“ My dear sister-in-law, Louise, was about the sweetest and most easy going person I’ve ever known. She was kind and humble and a great life partner for my brother.

*I felt very special as their flower girl for their wedding.*

*As our niece said, Louise was known for her jello molds. The biggest hit being the “white jello” “Russian Cream “. I still have the recipe in her handwriting. My children expect it every Christmas and have also made it to share.*

*I remember our lovely chats over constant comment tea which she introduced to me.*

*We shall miss her and keep her in our hearts.*

“ I loved my Aunt Louise. She was kind and understanding and a source of support for me many times throughout my life. She was a good friend to my mother even during her difficult years. I’ll remember her creamy kraut and white jello at family gatherings.

*Camping up north. I will always hear her voice drawing out Uncle Chuck’s name when he was up to no good. I will miss her dearly.*
