“ We were blessed to have had the pleasure of knowing Louise, or, as the kids called her, "Grambo", what a lovely character she was. I'll never forget all the fun nights playing Bunco with her and her shouts of "Whoopie"! I have always admired how Louise ALWAYS looked her best, so "put together". Louise may have been small in stature but she was huge in heart. I feel honored that we were able to be there to spend a little time with her and the family the evening before her passing. Louise left behind a legacy not only to her family but to everyone her life touched during her nearly 94 years here on earth. We may not be "blood" relatives but we all are FAMILY. May each of you find some peace and comfort through the coming days and realize your extended families are there for you. Rest in peace dear Louise, we will miss you dearly.

“ Dear Gram, I will miss you greatly but I know that I will see you again some day. Give Grandpa a hug and kiss for me. I wonder if he is calling you Mudge or Peanut. Either way you are home. Love you Gram.
