“ The Kryskalla Family will long cherish Aunt Lucie's memory. Her hard work made our annual holiday parties possible. Her kind and cheerful manner made them enjoyable. Although we shared her attention with others and the preparation of the meal, Lucie had a way of making us all feel special. We find solace in the knowledge that she now is with our beloved Uncle Harold.

“ I feel privileged to have known Lucie through her Christmas cards and occasional family gatherings over the years since Janet has been a part of the Sickles family. I saw Lucie as a lovely and gracious lady who stayed physically and spiritually fit, mentally alert, and active and loving in the interactions with her adult children and grandchildren. I hope that my own life can reflect some of these qualities as I age more!. Having a wonderful and loving mother and grandmother is one of life's great joys. Losing a wonderful and loving mother and grandmother is one of life's greatest sorrows. You are all in our thoughts and prayers. Love, Becca
