“ I was saddened when I heard of "Uncle" Lou's death. Unfortunately it was after the funeral was over. It was always heartwarming to know that he was an "artist", an artistic inspiration for me, and carried on by my six year old daughter with her love of drawing and art related media. We always had a great time when Uncle Lou was around. I see a lot of his personality in my father, Tom and in my Uncle Roger, and he reminded me so much of my grandmother, Helen. Aunt Alice and family, I am sorry for your loss and hope that comfort comes to you.

“ My condolences, Alice. Lou made all-nighters at New Center Studio tolerable with his delivery of hilarious stories and ukelele strumming. Entertain the angels for now, Lou, until we can All join the party.

“ Our prayers are with you and your family Alice. Carl shared a room with Lu at Woodward hills for only a short while but we enjoyed his company and patience. We wish you peace and good health. Marge Qualmann

“ I've known Lou since the late '60s while working at New Center Studios. Many called Lou "The LouPer". My nickname for him was "Loueeee". He was one the nicest and most congenial people that I've ever had the privilege of knowing and working with. My best wishes to Alice and Family. Hey Loueeee - thanks for being You.
