“ *We were so sorry to hear that Lucille had passed away. Living on the west side of the state we did not spend as much time with her growing up as we might have if we had lived closer. We do have wonderful memories of family reunions and other family events in Kaleva over the years. She was delightful to spend time with and also very loving when we were together. She will be missed. Thinking of you and keeping all of you in our thoughts and prayers! With much love and sympathy. Cousins, Anita, David, and Gaye*
