“ I can't think of one "single" memory of Grandma Lou there were so many. I loved it when I visited she always made sure she baked something "special" to bring to me. She was a remarkable woman. I will miss her.

“ She was an absolutely beautiful woman! So strong in her faith. She commented not long ago that everyone now has to do for her and I told her that she did for everyone when she was able to and they were now helping her. We will miss her and her wisdom! So glad she could attend Pastor Shawn's installation at St. Lorenz. Our sympathies and prayers to the Bemis family.

Our dear Aunt Lou will be missed by many. You were my Godmother and shared the most important things in life. First and for most the belief and Love of Jesus Christ our Savior and then family. No one will fill your shoes or the empty place left in our hearts. Matthew 25:23 New International Version "His master replied, 'Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!' She so missed doing for others and was ready for her next life with Jesus.

Love you Auntie! Susie and David Rogers
