“ *Lilly will be missed. We never new what to expect when she was around. She made life interesting. We so much enjoyed her stories of her childhood days. She had such a zest for life. May you find comfort in knowing that her years of struggle are finally over for her & she will now be whole again. Our prayers our with her children & grandchildren. Love You guys*

“ *Mike, I was very sorry to hear of the loss of your mom. Mom's are very special and I know that you have your memories of her to carry you through these rough days ahead. You and your family are in my thoughts and prayers. God bless your mom - may she find eternal rest and peace AND happiness - and God bless you Mike. Your friend, Linda*
