“ Louie, I am so glad I had the chance to see you again this Summer at Dan and Gracy's house warming party. We shared many laughs that night and you stole my nuts! Pistachio's of course, but I forgive you. Say hi to "Nonna" for me, I loved her so. God bless you and your family. Craig'o

“ Zio Luiggi. Where do I begin? Well, Zio was an awesome person. He always made you feel so happy and excited when you were around him. I loved him so much. He touched my family's heart in the matter of one year. One year ago my family and I knew very little about him. But, after living with him for awhile, we learned many things about him. For example, my nona found out that his favorite ice cream was chocolate, after about 60 years. Zio Luiggi will always be in our memories. I know that I can never EVER forget him. He's not the kind of person that you can easily forget.
