“ To the family of Luigina D. Sramek - I was deeply sadden to hear of the loss of Luigina. I had the honor of meeting her at her job, she was my Dietician. I was diagnosed with diabetes in October of 2009 and I met with in November. She saved my life with the knowledge that she gave me on my diabetes. Not a day goes by without me saying "THANK YOU, LUIGINA". I am sorry for your loss and my thoughts and prayers are with you all.

“ Oh my dear, dear Kelly, You have been such a comfort to me and now I wish that I could be of some comfort to you. I am sure that you are asking yourself how you can stand this sudden sorrow. Your mother was a sweet-dear woman and always so gracious and friendly. Who couldn't have loved her? She was a very special lady who deserved to live. God will give you strength. You will need it for yourself and for Ryan and Jack. Your mother was a loving grandmother to them. The boys will find it hard not to have her in their life anymore. I wish that there was something I could do to ease your pain and sadness. I just don't know the words to tell you how very sorry I am. I love you very much, Grandma Jean
