“ Dear Ethel , You will always be in my heart, you are a child of God that is for sure . You were always there for someone when they needed you , you took care of people healthy, sick , and dying . You always loved taking care of anyones dogs. I know that my Mom was in good hands when you were there when she died. I know that you are in Heaven with all of the people you took care of , you are at your best as you always showed on the outside. I will remember the good time we had going to Nita's that summer ,and I will remember the last time we went out together , we met Nita at Johnny's right after Thanksgiving , I knew then that was the last time I would see you alive, you were slowing down but didn't want to show it , you just kept talking and smiling and having a good time as you always did , Ethel I thank you for being in my life since I was a little girl. God Bless you
