“ I had the pleasure of spending a great deal of time with Lee when she was receiving services from the Health Department in Lapeer County. I came over to set up her pills every week. She and I had some wonderful talks and became close during those visits. I won't forget her. She was a very special person who always brightened my day. She will be missed. My sincerest condolences to the family and friends of this one of a kind lady

“ Aunt Lee was so vibrant and beautiful. I so enjoyed visiting her and remember fondly the times growing up with our big family. Richard, Jeff, Doug and Bobby, my condolences. I'm sorry our children will never have the same memories of a large ethnic family that we have.
