“ Uncle Lyle was a very special guy. He and Aunt Maxine took care of my Grandmother, his mother, until she passed, getting the very best care he could for her. Loved his family. The one thing I was sure to do was to send him a Christmas card every year, as he would make a personal phone call to those who sent one. I loved getting those phone calls and prayed I would be home when he called as they came unannounced. Thankfully, I was home this past Christmas when I saw his name on the caller ID. He had just moved to the assisted care facility, Penny was there as well, and we had a great, fun conversation filled with news and laughter. This conversation lasted longer than most as he updated me on his family and the great time he was having at the care facility. I will always remember and treasure this last contact with him. See you in heaven!
Love you. Stephanie Marcoux, Barbara's daughter

“ I remember Lyle when I was growing up. My Dad Bob Garlinghouse loved his cousins, who were close to his own age. Lyle, Junior, and Royal were all important to him and he spoke of them often. These times of loss are sad, but it is a comfort to know we'll all be united in heaven someday.

“ I have known Lyle my whole life. He was a neighbor when I was young. Years later we worked together for over 20 years. He was a mentor to many men we worked with!! He loved his family dearly, always letting me know about his grandkids and daughters. After Lyle retired we became good friends. I loved him dearly and enjoyed his company. Lyle you will be missed. Rest in peach my friend.

“ As you know, Uncle Lyle wore many hats, but what I remember most is the joy when he was around. You never knew what he would say, but usually it would make me laugh. Growing up in the city I remember all the times the family would get together and adults would play cards and the kids would get to enjoy all the treats. It was a special time with my cousins. We bonded in our tiny houses. In later years Lyle brought extra joy when my Dad was ill and passed away. He had a generous spirit of sharing stories and continued to use his laughter to bring us closer together.

“ Because God is with me, even in grief I can have hope (I Thess. 4:13).

Lyle was a gentleman and we have had many good times together. I've known him

*75 years. He was very kind and determined and hard headed to a point (like his brothers). He was loud. Everyone he met never would forget him (Ha!). He could talk out of turn to strangers and embarrass me at times. I loved him and Max and enjoyed all their visits when Junior was so ill. I'm sure he is enjoying all his family above and I'll see him soon. Love you Lyle!!!! Will miss you.

“ Uncle Lyle means so much to me. His memory will always fill my heart. Uncle Lyle was a great family man. I have such fond memories, we played Euchre at the Christian School, had a great time at Seven Ponds Nature Center festivals where Uncle Lyle always laughed and was a joy to be around. I will always remember his kindness to everyone around him. He will be missed by so many. May God bless his family. (with love, Lucy Cromas)
