“ My earliest memories of my Aunt Lynn were playing at her house with Tracey. We also used to have a lot of fun at Grandma's and when we would stay all together at a motel and swim and hang out. Aunt Lynn always showed me and my family such love and care. She really made such an impact on my life. I will truly miss her. So glad that one day I will see her in heaven ❤️ My prayers of healing and peace are with family and friends. 💕

“ The memories of Lynn, her smile, and laughter, will forever be with me. Growing up as kids, we had the best times together at her grandparents cottage. Family times together were always special. See you in heaven Lynn! Love to all the family.

“ We will always have great memories of Lynn when they came down to visit Florida. She always brought her famous trail mix with her! It was so good. Loved just sitting around the table or out on the lanai and talk .
