

Lynn Kaiser

January 24, 1947 - September 6, 2022

Lynn Marie Kaiser ("Lynnie"), loving mother, grandmother, sister, friend and m&m connoisseur departed this world suddenly at the age of 75, due to Covid-19 on Monday, September 5th, 2022 in Ferndale, Michigan.

She was born to Mary Margaret and Allen Charles Kaiser Sr. on January 25th, 1947 in Detroit, Michigan. After growing up and graduating Shrine of the Little Flower High School in Royal Oak, Michigan, she went on to pursue her license as a Registered Nurse and spent her career in multiple areas of the medical field providing warmhearted, impassioned care to those she served. Her last years of nursing were spent at Myrah Keating Smith Community Health Center on St. John, Virgin Islands.

She is survived by her daughter Danette, son RJ, grandchildren Faine and Lily, and siblings Al, John, Kathy and Carl, all of whom will miss her dearly and feel the sad loss of her passing. She was preceded in death by her parents and siblings Maria and Mark.

After the tragic loss of her parents and youngest siblings, at age 13, Lynn felt a strong identity as the oldest of 7 siblings and 44 grandchildren. She went on to raise her own two children. As a devoted single mother, she was strong willed, self-sufficient and encouraged individuality. In her mid-life, she gained a passion for travel, the ocean and sailing. She sought out unique adventures that would be envious to those who observed her life or heard tales of her

memoirs. She had an abundance of love for all animals and could often be found frolicking in the ocean off of some small island or boat with some of her most cherished friends. In her later life, her love of animals was still evident through the videos she shared with her grandson.

An intimate viewing service was held for closest family members at Sullivan & Son Funeral Directors in Royal Oak, Michigan prior to her cremation. In addition, a "Celebration of Linnie" will occur on Sunday, September 18, 2022 from 11:00 am-1:00 pm at Island Park - Greek Revival Pavilion for all friends and family that wish to show their respects and commemorate her life. (1420 Island Drive, Ann Arbor, MI *cross the grey foot bridge - the pavilion is on the right).

Please wear casual attire that celebrates Linnie.

For those who wish to make donations, please make them to The Coral Reef Alliance. <<https://coral.org/>>

“Lynnie held such a special place in my heart. Growing up, I looked forward to her spending summers with us. She and my dad caused so much trouble together which inevitably got a rise out of my mom !! She taught me how to curl my eyelashes and what jeans were in style. When she was living on the boat, they stopped in Melbourne for a couple of days where we shared beer on ice (Bahamian style) on the boat. She also made time to visit us in St. Thomas when we were there for a day on a family cruise. I pray she and my dad are back to their old shenanigans in heaven 💕💕

“So sorry to hear about the loss of my cousin Lynn. I still have many childhood memories of her in the old Royal Oak house. In later years we lived countries apart but I still thought of her. I pray that my cousins can greave in peace. 🙏 Cousin Steve

“ In 2017 Andy and I traveled to St. Thomas. We connected with Lynn and took the ferry to St. John. You could tell Lynn loved that island. She drove us all around the showing us the beauty and teaching us the history of the island. We had such a great time swimming at the most secluded beach. Loving the iguanas! They were the biggest I've ever seen. We ended the day with dinner and drinks in town. Just a few months later, September 2017 a devastating hurricane destroyed most the island. This must of been terrible struggling with the devastation.

I just recently heard Lynn was back in Michigan. We wish we had the opportunity to return her some of her St. John hospitality. Condolences to her daughter Danette (and children) and son RJ. And to her siblings. So very sorry for your loss. May those fond memories of Lynn we all hold in our hearts keep them warm forever.
