“ Dear Dan, Sheila, Sheryl and family. I am so sad to hear the news but am grateful for Lynn's presence in our lives and always remember her bright smile, laughter and great humor at the office for so many years - not to exclude her great contribution to Ducker and being a meaningful part of all our success. Someone you could always count on and also just enjoy sitting and chatting - we all loved to hear the stories of the children and grandchildren whom she adored. She will reap the rewards in heaven she so deserves! Our best to you all.
