“ Thank you, Paul, for calling me. I am saddened by Jane's passing. There were more rounds of golf to play, more Tea Party events to attend, more lively conversations over lunch where she shared loving words about her family, particularly her pride in her nephew. I shall take comfort in the memories of our strong friendship and our shared faith in God. Blessings to all of you.

“ Jane was a great lady who learned early on to be independent. She loved her dogs; a master gardener and amazing golfer. She "picked" my brain often with long conversations about politics, church history and life skills. I miss her. Jane, enjoy your heavenly reward Love, Sylvia

“ Loved Jane! She scared me when I first met her until she smiled-- and that was after a great round of golf-on her end! She made a person feel like they mattered. We worked St Ameritech together & she was a person I always enjoyed our interactions-you knew it would turn out better. Thank you Jane for making a difference.

“ Jane was a beautiful lady who I had the pleasure of doing her hair for many years. She was full of life and couldn't wait to see her on her next visit. We talked about politics, her love for dogs and our faith in God. I would book extra time with her because I loved listening and learning from her. She was so wise and I absolutely loved and adored her. I will miss her so very much. My thoughts and prayers are with her family during this difficult time. Rest in peace Jane . You will be missed always. ♥♥♥ D'Ann

I never met Jane personally but became very good email friends. What we had in common was graduating from HWHS, politics, religion and our dogs. She was such a kind and generous person and I will miss our conversations.
