“ I went to say goodbye to Mabel today and as I stood over her all that I could think of was when I saw her last. Judy & Estil had came into Big Boy for her birthday. When I told her how wonderful that it was that she was celebrating 100 years, she looked at me and said " I still have my own teeth". I will never forget the way that she said it, she was very proud and very happy. God Bless you Beautiful Lady. God Bless the family.

Ma, it is almost 2 years that you left us and went to your new home. I still miss you and think of you every day. I still sing the songs that I sung to you as you took your last breath. I miss your smile. Your goodness. Your sense of humor. 😭💕.

“ Heaven has been blessed with the addition of this Beautiful woman! I loved waiting on her when she would come into Big Boy with her daughter, son in law, and another couple. Such kindness & beauty in her that you don't find in many people today. I will truly miss seeing her but it was her time to go to Heaven. Most people don't live to see 100 like she did. God bless her family. My thoughts & prayers are with them.
