“ *My Grandma lived next door to the Strahans on Vineyard. I would no sooner get to her house and over to see my friend Kathy I would go. Seems like Mabel was always cooking or ironing when I got there. I remember telling her a little poem about a boy peeing on the wall, I can still picture her busting out laughing!! I can still remember watching with her when Neil Armstrong walked on the moon! We all went our separate ways, but the memories will stay in my heart forever. My thoughts and prayers are with you all.*
