“ Mabel was a neighbor and new friend, who went out of her way to welcome me to my new home, by sharing helpful experiences. She made a difference to everyone she touched and I will miss her caring friendship, but am happy to have known her. I know she is happy in her new heavenly home.

“ Dear Grammy,

I want to thank you for the many years of memories, of love, and of the greatest stories told! I hold them all to my heart and have been repeating them in my head while laughing and crying.

My most treasured memories are you taking us to Higgins lake every summer. The love I have for Up North camp fires, grilling hot dogs, lake swims, and beach shell hunts all start with you.

*I'll miss you, but I know you're watching over us now! Love forever,
Ash ❤️*
