“ I will always remember Madeline. We worked together for many years, doing Mcrest, apple-fest, delivering food to the Veterans. She was the reason I met my husband, & was quite a rascal trying to get us together. She could urge anyone to donate for our cause, while I would shake my head & be amazed! Sometimes I think they would give it to her, just for her to leave them alone. She was awesome.

“ I will never forget the night she sat with us in the hospital while my father (Al Sheff) was in dire danger of death after his triple bypass. She had a strong presence and it gave us comfort.

“ Cheri, Lorna, Carl , and Larry send their deepest condolences to Larry, Donald, and Maryanne. I remember when aunt Madeline came to see my mother when she was sick, and my mom smiled. At the time, smiling was all my mom could do, but It was a good thing to see, and i never forgot that. Aunt Madeline was a terrific lady with a heart of gold, and a very large influence upon our lives. As for me, and my house, she will always be remembered for her warm smile, and her gracious nature.

Rest in peace Auntie.

My Aunt Madeline was my extra mom, she was there for me. She would retell stories to me about when she work as a nurse in the hospital. She was a great Partner. She worked with me in the eight and forty helping children with cystic fibrosis, tuberculosis ,lung diseases.

It's kind of late, I just saw this trying to find my school chum, Maryanne. Mrs. Sheff (as I knew her) was devoted to her kids and a school mom at St. Lawrence. I lost my money on the 8th grade Boblo Island trip and she was kind enough to lend me some so I could buy a tshirt. She was a very special person!
