“*Condolences to the family. I didn't know your loved one but would like to share some comfort from the scriptures. God cares for you and the suffering you are enduring. This is mentioned at I Peter 5:7. God will one day put an end to death, pain, tears and mourning; this is mentioned at Revelation 21:4. And Acts 24:15 says that God will resurrect our loved ones. At that time this earth will be a paradise, and no one will be old anymore, and sickness and death will be gone. How wonderful to see our loved ones who were dead, alive, happy and healthy, young and enjoying life with us forever on this beautiful earth! I hope this has comforted you! JW.ORG*
