“ *I met your wonderful mother when she moved to assisted living at Bellbrook. She was so warm and loved to visit when I brought her Eucharist on Friday afternoons. She also loved having her hair done and having lunch with the kids. I enjoyed doing her story board and hearing all the stories of her life. She told me great stories about all "the kids". I will miss her. You are a very special family and you were great with your care and concern for her.*
