Sorry for the loss but I bet she kept you all busy she was just that way What I cherished the most as I grew up was her blunt honesty! I believe the best memory was when her and mom took us on a sled ride crashed in the creek both of them layed on top of us n laughed so hard we all cried!!!

“ Grandma, the lifetime of memories you have left us is remarkable. Your humor, independence, strong will and childhood songs will be part of your family for generations. We made a good team together. I miss you with all my heart. From your oldest granddaughter, Anne.

“ Lois and I want to offer the entire family our sincere condolences. Having recently lost my mother, I know how you all feel. Take solace in that Magdalen had a long life surrounded by many who loved her. When we would get together with Matt's family, Magdalen and my mother would always sit together, enjoying one another's company. Both ladies always looked forward to those visits! May God bless her.
