“ Marie and I are very sad to have lost our Matriarc of the Nick family. Glad she is in heaven with her beloved Fred and her brothers and sisters. There are only two left. My wife Marie and great sister in law Gloria communicator. Marie and I have so much to be thankful for in addition to all the Nicks. But Millie's was special for all of us. There was great happiness when it was said "Let's go to Millies and Freds". Always joyfull and lots of laughs. I have so much to say that I will write you all and send my thoughts. Not enough space here. "May her memories be eternal". GOD gives and takes. We all have many memories to share. May they be eternal as well. May GOD bless our families. AMEN

“ I have special memories of Aunt Millie from our cottage years. She was amazing because she could keep all you guys in line and because she could pick up Mitzi without getting bitten! Her laugh was so infectious and I remember her smile so well. She always seemed like such a strong person. God bless her, someday she will be there along with my dad to welcome us into eternity.

“ My deepest sympathies at the loss of Millie, or "Grandma" as she would say when she called the office. I was so touched by her caring heart toward my daughter, Kayla. Even though they never met, when Kayla was little and had been in the hospital, Millie sent her a little care package of toys. My prayers go out to all those who love and miss this special lady.

“ Mike, Vance and Jack: My deepest sympathies in the loss of your Mom. I will always remember when your Dad and Mom would bring the whole family over and stop at my Grandma Thomas' house. Those were fun times with family. Your Mom was a great person and did a wonderful job of raising a beautiful family. May her memory be eternal. Love always,

“ *Debbie Berk 8:07 AM 10 hours ago to mhanna07 Dear Michael and Family, We are sending our love and prayers. Aunt Millie was a favorite Aunt to all of us, and her memory is a very strong and happy one of wonderful times at your house growing up. We were all entertained by Aunt Millie playing the organ and singing at family gathering. It is a warm and wonderful time to remember. How fortunate you are we are to have had Aunt Millie for 90-something years. I know that she knew she was blessed with 3 wonderful sons, who loved her dearly. She was a lucky lady, but then so were we to have been loved by her. Love, The Berk Family*

“ *O God, Creator and Redeemer of all the faithful, grant to the souls of our departed loved ones, the remission of all their sins, that by means of our pious supplications, they may obtain the joy of heaven which they have earnestly desired. We ask this through Christ our Lord. Amen.*
