“ A great loss of such a dear man. Will always treasure memories of having known and loved him since I was a child. I know he is rejoicing tonight. I pray that the son that took such good care of him for many years finds comfort in the many memories and peace knowing he is in God's loving arms.

“ I shall miss my friend and neighbor of many years. Manley was a good Christian man. He and Katy Did would stop for a visit when they were out for the daily walk. He loved his family and friends and would help where ever he could,. He helped me more times than I can count. He is where he wanted to be with the Lord

“ I am so sorry for your loss. As the days and weeks pass, and you return to life's routine, may you be comforted by our ...God and Father of our Lord... the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God". 2 Cor. 1: 3, 4. Please accept my sincere condolences for your loss. Please also find comfort in the following: John 11:11 where Jesus said, "...Lazarus our friend has gone to rest, but I am journeying there to awaken him from the sleep." Our Heavenly Father holds out the hope of the resurrection and the ability to see our loved ones again.

“ Ken, In the short time that we were privileged to know your father, he made a lasting impression. From the day we moved in, you and Manley welcomed us and made the neighborhood feel like home. We will always remember when Manley came and fixed our garden hose that had been leaking; just the first of many acts of kindness that both of you have done for us. It was always such a comfort to see him on the porch, tending to his garden, or walking Katy. Hearing him speak about his family, it was clear that he loved you all so much, and cherished the time he had with your mother. Both of you have such a goodness, a warm generosity of spirit that is so rare these days, we feel honored to be your neighbors. You are in our thoughts during this difficult time.
