“ I had the opportunity to work with Diane over the last several years at Waste Management and she had such a beautiful smile...no matter what was going on...you could always get her to smile that bright smile! We will all miss her at Pine Tree Acres!

“ *Diane...was simply the best older sister a brother could have. Growing up in our large family was and always will be the greatest blessing that God gave to us. I will miss her beautiful face, her bright smile, and mostly her laughter. There are so many wonderful memories; I guess one of my favorite memories was when we were much younger, parents gone to NY, Diane in charge...all of us out cruising to buy a bag of weed. Someone hollars "pig" at a police car that went by. Cop pulls us over weed in Diane's purse, she's trying to dig in her purse to find her licence... the cop halls me 12 at the time and a older family friend into the back of the police car...where he begins to try to make us give up who said it; we didn't he finally just took our names and let us go... Same trip;driving down the road someone decides that it might be a good idea to throw the car into reverse while we are going 35 mph. Luckilyfor Diane - she was in charge, the car just stalled instead of throwing the transmission out the back of the car. If mom and dad had any idea how awesome of an older sister I had, I'm sure we would all have had a lot less wonderful memories of the times that we shared when we were younger! Diane will always be one of a kind; an unreplacable part of my heart and soul and to everyone else who love her so dearly. My hope is that one day soon, after the sadness of this time subsides, we all try to remember the fun, the laughter, and the love that we all shared with her in our own special memories. And lastly, it wouldn't be appropriate for me to end without saying...Maralee, Maralee, Maralee, life is but a dream!*
