“ To the family of Marc: I just found out, from a former neighbor, of Marc's passing. Please accept my sincere condolences. I grew up in the same neighborhood with Marc and Deanna. It has been almost 50 years since I played in their yard on the corner of Griener and Waltham, but I will always remember the fun we had. There is a black and white snapshot, in my childhood photo book, of Marc and me sitting on my front porch. He was 2 and I was 5. I have very fond memories of the Stewart family. Please know that I honor your sorrow. Sincerely Mimi McEvoy

“ Dear Paul & Kelly: We are so sorry for your loss. I know of no way to make you feel better. I have just learned that time does heal, and the memories are a wonderful thing. I will always remember your Dad for the two special gifts that he sent our way. Because without him there would not have been the both of you. I will also remember the funny side of him Soap on a rope, tools for eating and lots of vittles just that memory makes me smile. All our Love Uncle Tom, Aunt Claudia & T.J.

“ Kelly & Paul, We are so sorry that we never had the honor of meeting your father. At this difficult time try to remember how lucky you were to have a father that you love so much. Keep the memories fresh and he will never leave you. You are all in our hearts,
