Marcie was one of our original members and was always at our PH support meetings, motivating us to be cheerful and to fight on, and to cheer us on at O2BREATHE walk/runs. So sorry she's gone. We miss her.

“ As I shuffle thru my pictures of time spent with Marcie . I realize how much she was a part of my life for 46 yrs. And the insurmountable memories we have shared together. Know I will miss you and your hilarious Facebook comments. As much as I will miss you. I had to dismiss my selfish side. As your physical body could no longer endure the ill effects of your illness. It was your time to go home. Fly high my dear friend. Watch over those you have left behind. I am heartbroken . Luv ya Moose - Your Sweet Liz xoxo
