“ *What a great man Marcus was! He was such a kind, caring, considerate person. He loved his wife and family and shared stories, healthy pride and hearty laughter with me on many occasions. His smile would light up any dark space and his personality was infectious! He was a joy to be around. He was so hardworking and always willing to lend a hand where needed. He would go above and beyond to ensure satisfaction and success! He was a team player and was driven to reach the unified goal. He was selfless and giving. I have worked closely with Marcus during my events at the Marriott for the past 7 years and it is heartbreaking to think that we will not be working together once again! In fact, I was looking for him the other day!!! My heart is broken, not just for me, but for his wife, family and all those that cherish and love him still. When your heart is filled with sorrow, there is little one can say; only time and the Spirit will comfort you when loved ones pass away. I pray that the time is hastened and your sorrow will depart and many, many happy memories of Marcus will be in your thoughts, words and heart. We will keep with us precious, cherished memories to last a lifetime that will help us keep Marcus' memory alive so we are never separated, not even by death! Thank you Marcus ("PAW PAW") for making this world a better place.*
