“ Aunt Marge was a special lady. Our family shared many wonderful times and lots of laughs with the Connolly's over the years, and she will be missed. May she rest in peace.

“ The Carlson kids have such fond memories of our Aunt Marge! We remember sharing summers with you all in Glennie, and watching our parents enjoy each other for SO many years! Aunt Marge could tell you the date of my birth, wedding, my kids' and husband's births, how long we've had each of our pets, and the dates that my parents died. She was amazing! I loved to visit her and watch her talk with Rusty, her cat, and sneak her out for lunch and an occasional cocktail! I know the 3 Scott sisters are playing bridge this day and enjoying each other! While my heart goes out to you all in your loss, I know how ready Aunt Marge was to be in heaven, and have no doubt that's where she is! Love - Patrice

“ In Memory of Margaret E. Connolly God saw you getting tired and a cure was not to be. So He put His arms around you and whispered “come to me.” With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best.

“ You can only have one mother Patient kind and true; No other friend in all the world, Will be the same to you. When other friends forsake you, To mother you will return, For all her loving kindness, She asks nothing in return. As we look upon her picture, Sweet memories we recall, Of a face so full of sunshine, And a smile for one and all. Sweet Jesus, take this message, To our dear mother up above; Tell her how we miss her, And give her all our love. May God grant you his peace and comfort during your time of sorrow.

“ Our condolences to the entire Connolly family. How lucky you were to have such a caring,wonderful, beautiful mother. How lucky we were as cousins to have her in our lives too. Aunt Margaret will always be remembered for her extreme kindness and willingness to share her love with our families. We were always amazed by her sharp mind and recall for names, birthdates, and other information about the Redmer 'clan"! She had a wonderful life. May she rest in peace.

“ Dave and family. There are many memories over the years, your Mom was always upbeat and made a great peanut butter jelly sandwich, which Dave and I would wolf down before heading out to run with Queenie. Your Mom had a big heart and would show it often. Time passes quickly, but memories are with us forever. May God be with her tonight

“ I hate to think of how many years it has been since seeing any of this family, but even though it has been a long time, I still have the fondest memories of time spent with all of you at Glennie Lake. I know you will miss your Mom terribly, but oh what a gift to have had her with you for so many years. I hope all of your memories will sustain you through this time of sorrow. I am very sorry too that I cannot come and share my condolences with you in person. Love to you all, Donna

“ Dear Dave and the entire Connolly Family, How incredibly lucky to have had your mother for almost 91 years... the Lord has blessed you! I hope to be that lucky. I am so happy you all got to share Thanksgiving with her last year, those memories will last a lifetime. Remember...those we love remain with us, in the whisper of the wind, the soft rain that falls from Heaven, in every sunrise, in every star that shines in the night sky...and in every memory we hold within our hearts. Heaven has been blessed to welcome such a special angel! Blessings to all of you in celebration of Mom's wonderful life! Bridget Coffey
