“ I feel very fortunate to not only have known your mom, but also being able to attend her funeral after all these years. My memories of your mom are exactly how the letters read. I always felt very welcomed at your house, she really did treat me like one of her own daughters. Something about moms are very special, and to lose one is hard, I know. They are the rock of the family, kept the family connected. Patty, my thoughts and prayers are with you and your family, especially your dad who also has touched my life in a positive way.

“ Margaret, you made a difference in my life, and many more lives than you'll ever know. Your kindness you imparted to me when I was a single person, and then again when I had my daughter and family was so special to me. I called you Mom, and then my daughter got to call you grandma. Every holiday, birthday or family celebration was when you brought family even closer. Thank you for the special gift of your spirit, and the treasures you bestowed upon me. Heaven hasn't seen a Christmas like they'll see with you there. Love, Lisa DenOtter & Lillian and Dave Rosenbaum
