“ Dear Connie, Patty & family: Your mom was such a nice lady as I remember her from my teenage years coming over your house all the time. I remember many times her telling me my hair was in my eyes and would sit me down and give me a haircut. Lots of laughs were always had with Maggie and Larry and your family. I remember her always being very generous and giving of herself. My most sincere condolences go out to all of Maggie's family and friends. She will be missed. With Love, Patti Miller-Fons

Mags! Always smiling! Always happy to see me and my daughter when we'd come into the shop. I always looked forward to coming in to see Steph and Mags and my Patty, of course! I will remember you Maggie, with a smile and a loving heart. You have left behind the legacy we all want to leave behind - a loving, beautiful family. Rest in peace, Maggie. God Bless You.

I will miss my friend Maggie and the many talks and laughs that we shared for over 35 years. She was truly a blessing in my life and my daughters. We always parted with a hug. I know that the pain is deep right now, I pray that the memories are sweet.

Maggie, my neighbor, hairdresser and friend. She was always such a happy, fun loving character. I will miss our many chats and her compassion. She was so thoughtful to me during my recent illness I only wish I could have paid it forward with her but she passed so quickly. I will think of her fondly when I pass her condo and remember her exuberant personality I regret that I will not be able to attend her service on Sunday but I am still in a nursing center. Sending love and prayers for her family.

Maggie was a special friend. I was shocked and saddened to hear the news. I always went to her no matter where; she was the best hairdresser a person could ever have. We always had fun talking about anything that crossed are mind. I will miss her

To her family I am so sorry for your loss. We have lost a special person. My thoughts and prayers are with you.
