“ Margaret, what can I say? I am sad that you are gone from us. I am glad you are finally pain free and at peace. I knew Marg a long time. She was a dear friend! I loved her and will miss her! You were my \"sister\" my Maid of honor, my college \"bud\" we met in 1968 and were very close friends. We will meet again sweetie, on the other side. To her family may our Lord wrap his arms around you and give you peace.
