

Margaret A. Pelegrino

February 16, 1969 - October 27, 2020

Margaret Ann Pelegrino (née Teasdale), age 51, of Royal Oak, passed away October 27, 2020.

Beloved wife of John. Loving mother of Sophia. Dear sister of Mary Beth (Denis) Hilton, Barbara (David) Phillips, and Mark Teasdale. Dear niece of John and Bernard Teasdale. Predeceased by her parents, Joseph and Carole Teasdale. Dear aunt of Alexandra Hilton, John Hilton, Penny Lane Phillips, Justin Pelegrino, and Owen Pelegrino.

Margaret graduated from Regina High School in 1987 and then earned a Bachelor's degree in Social Work from Eastern Michigan University. She quickly returned to school, however, and earned her RN degree from Henry Ford Hospital of Nursing. Margaret then soon embarked upon a 22-year career as a nurse with Hospice of Michigan. She loved her career as a hospice nurse, a calling that she was ideally suited for.

In her spare time, Margaret loved going to the movies, listening to Jimmy Buffett, and disliking football with a passion. She also enjoyed watching murder mysteries on the ID Channel, solving puzzles at home, and listening to a country song or two when her daughter wasn't listening. Her favorite food undoubtedly came from Loui's Pizza. In years past, Margaret and John enjoyed taking a Fall trip every October, and more recently they both loved

taking day trips with Sophia as she was learning to drive. Perhaps most of all, Margaret was a passionate caregiver—both at work and within her own family, especially for her husband over the past three years. She was deeply loved by her family and friends and will be dearly missed.

Visitation will take place Friday, October 30, 2 – 8 p.m. at Wm. Sullivan & Son Funeral Home, 705 W. 11 Mile Rd., (4 blocks E. of Woodward), Royal Oak. Please note that per health department directive, room occupancy is limited; therefore, guests may need to wait a few minutes to enter the visitation room. A private Funeral Mass will be held Saturday.

Memorial contributions to Hospice of Michigan are appreciated.

“ John and Sophia - I just heard about Margaret's passing today. I'm Mike Bond. I grew up with her sister Barb. I'm devastated by the news. Margaret and I went to EMU together for awhile. I enjoyed her sense of humor and I'm grateful that we were able to reconnect through facebook. My prayers and thoughts are with you. If I can do anything, please let me know.

“ I just heard the news of Margaret's passing. I'm deeply saddened and speechless. My daughter Abby was in dance class with Sophia when they were 4. They became fast friends and every Tuesday, Margaret would take Abby off my hands for a few hours. She noticed my younger daughter, Chloe age 2 crying because she had to say goodbye to her big sister for a few hours. Margaret, out of the kindness and graciousness of her heart offered to take both my children every Tuesday for a few hours so I could enjoy some therapeutic alone time. Those three hours once a week was the most amazing gift knowing that they were in excellent, loving care. Chloe was barely out of diapers and the 2 four year olds were spirited balls of energy! I'm sure they were exhausting, but Margaret handled them with grace and optimism. Her kind smile greeting us at the door and sweet goodbyes when the play date was over. I wish I could see that sweet goodbye smile one more time. God bless you John and Sophia.

“ Dear John and Sophia, I had the honor of working with Margaret for over 13 years and I was the nurse that helped her care for her dear mother. We were “ weekend buddies “ as we called it. We worked a number of years together covering Oakland County hospice patients. Margaret was always willing to help me and would reach out to see how I was doing. Occasionally, we would catch a break and share lunch together. Most recently, she stopped by the office and we broke the rules to share a hug. I’m so grateful that we did. She was an amazing nurse and friend. I will never forget her smile, her hugs or her warm presence. Sincere condolences, Sandra Walter

“ Dear John and Sophie

Please accept our families deepest sympathy for your loss. I had the honor of having Margaret in my life during our younger years. The last time I had lunch with her and her Mother Carole (my Godmother) in Michigan she shared a story with me about her Aunt Lucille Teasdale in Africa. I felt privledged to know Margaret and her family. Our thoughts and prayers are with all of you.

“ We had the pleasure of meeting Margaret about 25 years ago when Margaret's sister Barbara married my brother David. Over those 25 years Barbara and David had many family get-togethers inviting both sides of their families to celebrate birthdays (Penny's every year in March), religious events, summer BBQs and some sad times too (the loss of Joe and Carole), so we got to know Margaret and John pretty well, both such kind people, a pleasure to be around. I remember that one birthday party when Margaret and John presented Baby Sophia! They were both proud parents “beaming” with excitement over their beautiful baby. We will miss you Margaret, but we will always have the fond memories of times spent together.

“ Sophia - my favorite part of my work week was chatting with your mom in the back parking lot while she waited for you to come out of tap class. I would rush out of my classroom in hopes to get home fast, but instead I would see your mom's huge smile and I would always stop so we could talk (mostly about how amazing you are). She gave me tons of advice about being a mother, told me about her job, and laughed constantly. One night I stood out there in the freezing cold with no jacket for an hour because I loved talking to her so much. I'll never know why always lose the best ones so early. My heart is broken for you and your Dad but I do know that your Mom will FOREVER be with you. She will still be beaming with pride because she raised an AMAZING woman. Love you Sophia. - Miss Lea

“ *Dear John, Sophia & family...my most sincere condolences for your great loss of Margaret. I worked with Margaret at HOM for the last 11 years. I didn't see her often as she was always taking care of her patients, but when we did have the occasion to see each other she always greeted me with her brilliant smile and a giant hug. I always admired her as a talented & caring nurse, one whom I would trust my family member. I am heartbroken for your loss and send you warm and caring thoughts and prayers. Much love to you all. “ My deepest sympathy to you, John, and Sophia. My heart breaks for your loss. Margaret was a nurse at hospice when I came. we worked together and occasionally did visits together if one or the other of us needed assistance. Margaret was the kindest, most gentle nurse, who could never leave a home until the patient and family were totally set and comfortable. she is the nurse I would have wanted for a loved one of mine. She will be missed greatly by all of us here at HOM but I'm sure has been greeted and hugged by so many that she helped with their journey. I will continue to pray for you. Sherry Reedy

“ I met Margaret over 21 years ago. We both served on the Oakland team at Hospice of Michigan. I remember she introduced herself as Margaret and I responded that I was a Margaret too. We both remarked that it was rare to find another Margaret of similar age. I recall meaningful conversations about our faith, our love of God, and how we saw the Holy Spirit moving in our Hospice work. I also remember when she became pregnant with Sophia. She was a Mama that just had that beautiful pregnant glow. She would always become animated when she spoke of Sophia. We would share stories from time to time, when we would cross paths, about how our children were growing and what they were up to. I always enjoyed catching up with her and getting the latest on all the happenings in her life. She will always be remembered as kind, gentle, and loving. I believe that a multitude of spirits that she comforted and helped transition from this life to next are all welcoming her home. She will be deeply missed by all those who loved her.

“Margaret was such a good-hearted, kind, sweet, and funny woman. She was my partner in crime as we took our daughters to numerous concerts, the mall, DIA, IKEA, dinners or just hanging out talking when I was “stopping by for a minute”. Margaret and John always made us feel welcome. Margaret and I loved to compare what true crime show we were watching at the moment or which one of the “Housewife’s” show were our favorites. Margaret was like a shiny new penny - always shining brightly! I don’t think I ever heard Margaret complain. Even when she had been hanging all out all day at the hospital with John after his surgery, she was always glad to see a friend and always had a smile for everyone. Margaret was a very positive person who would move heaven and earth for the loves of her life, John, and Sophia. Heaven just gained another angel. RIP Margaret! Know that you are loved and will be missed ❤️💜. Donna Prentiss-Bonner

“ Dear John and Sophia, Our hearts are broken as we learn of your loss. We will miss her greatly because Margaret was the friend who always put a positive spin on whatever may be going on. The one with a witty joke. The friend you were just going to say a quick hello to but ended up talking for hours. She was also the wife who gushed over her husbands strong attitude during his battle, she gushed about her fun mother/daughter times...and of course proud dog mom. Please know we are here for you both whatever you need, whenever you need it. Much love and prayers, The Pinho Family
