“ *The Shea family extends its love and condolences to all the Rossiters. Margaret Shea and Peggy were best friends from childhood and we so enjoyed hearing about their memories and all the times they share throughout their life. Peggy was a beautiful soul, a loving and accepting person with a great sense of humor. You always felt special around Peggy. She made the world a warmer and brighter place. We will miss her and treasure our memories.*

*Fondly,
Gary and Martha Shea*

“ *I have so many great memories of my time spent with Grandma!! When I was a kid, she would watch me after school every Thursday. First, it was homework time! After we would finish that, a delicious meal would follow and after eating together it was Jeopardy time!!!!*

Her, I and Marita would watch Jeopardy and I would sit there in amazement as she answered every single question correctly and usually before Alex could even complete the question! She is so smart! And with a ridiculous amount of knowledge! After that it was time to play cards! Any game I choose!! Well, I thought I was pretty good at WAR until I played Grandma Peggy! She had this jar of change that she divide up between the two of us and we would play cards all night until my mom came to pick up. Grandma would usually have her entire jar of change back by then! IF I was able to win any hands, she would always let me keep my winnings! I learned a lot from her and I could go on and on with stories and memories!!

I Miss and love you very much Grandma Peggy!!

“ I fondly remember staying with the Rossiters for a few days every summer on our annual visit to Detroit during the sixties. Peggy was so intelligent and would patiently discuss baseball, politics and religion while 4 or 5 little ones were hanging on her. She made everyone feel so important! I am so glad to have had several visits recently with Peggy. She was truly among my very favorite people!
