“ *Margaret your time here was too short, we will miss you. We will miss your sincere welcoming and your interest in us and our family, and your sense of humor. You could always count on Margaret to find the humor in situations and dryly point it out!! Always kind, generous and genuine, accepting people and life as they came. Your creativity was known by all: sewing, crafts and fantastic candy! We all know how much you loved Gordon and your family and the great joy your 'grandchildren' gave you. In the last years, the pain you endured, pained us all. Still, even with the pain, you remained game to do things. To Betty and your nieces and nephews our sincere condolences, she so loved you and was proud of you all. Gordon, oh Gordon, what can we say, the unimagivable has happened. Her spirit and love will always be with you and bring you comfort. What a special person she was, you picked well! Love to you all,*
