“ *Margy was our son's very first caretaker, and we definitely thought the world of her. Her daughter Kelly went on to take care of our son, Niccolo, so he continued to visit her, and loved going to "big Mama's" house!*

“ *I knew Margy at EMU where we along with Marie, Jane, Martha, Ruth, Wendy and Arlette lived at Hoyt Hall. I was Marie's boyfriend. Margy, Steve and I were at Cobo on September 5 1975 when Bob Seger & the Silver Bullet Band recorded "Live Bullet". We lost touch but I never stopped inquiring about Margy.*
