“ I was fortunate to meet Peggy through my son, Keith's, marriage to Peggy's very sweet daughter, Carly. Peggy definitely was an inspiration to me and to everyone who had the pleasure to know her. She was so unselfish and giving. Although we didn't know each other for very long, we had become good friends and had the common bond of our grandchildren, Lexi and Lennon. It will be difficult for Carly, Brandi, and Jamie to watch their children grow up without Granny around--she was taken from them too soon. I will do my part to share my memories of Peggy with our grandchildren--I will never let them forget their Granny or how much she loved and cared for them. I promise, Peggy! Love, Grandma Liz

“ Peggy was the most thoughtful and caring person I have ever met. I will never forget her and will forever be thankful for the impact she had on me, and more importantly, my children. She is a hero for the battle she fought for so long, never wavering, never giving up, never letting it keep her down. A true inspiration in a world that really needs one! We will miss her dearly. “ A wonderful mother and granny who will be so missed. My mom was the most caring and loving person. I will miss our quick phone calls, just to say goodnight. She loved being with her grandchildren and was so proud of them. I hope I can be half the mom she was to me. She was a fighter through this cancer and she finally went on her own terms. She was a beautiful person inside and out. I will miss so many things about you but I am so glad I have those memories and I will share them with my children. Love you, Brandi
