“ *Sorry to hear about Nanny's passing. She will be happy to see Fuggy again. They were good people. Condolences to Bob and Donna and their families. Glad Marg was part of my life. I always enjoyed talking with her about the old days.*

“ *So sorry to hear about Marg...I live katty-corner from her house, where I've been for 39 years. She was always so kind and thoughtful...and I remember getting cards from her during Tim's last illness and before his passing this past year. I remember her handwriting still being so strong and legible even as she turned 101! I enjoyed talking with both here and Don over the years and hope that her passing was peaceful. Sending my love to her friends and family as well...*

“ *I only met Marguerite once at her 100th birthday party, and I'm so grateful I got to celebrate her life while she was still here with my partner and his family. Rest in peace Nanny.*

“ *Marge’s twinkling eyes and lovely smile are what I see when I think of her. A beautiful creation of our Lord and Savior, content and kind and faithful in her roles. She will be missed.*
