“ I am sorry for your loss. Maria was a very nice person and she will be missed.

We need more people like her in the world.

I still have some of her Christmas Cards, her art work. I have kept all of them. Some of them I framed and have hanging on my wall with other art work from family members.

You are in my prayers.

“ *My dear sister.
We lost you yesterday, and our hearts are broken. You are not suffering anymore and are in Heaven dancing, singing and planting flowers. Sharing stories with our family.
Happy for you. Missing your smile, and blue eyes.*

Love you, and miss you forever.

“ I first met Maria at Huntington Woods Lutheran Church. I had gone up to communion and had been sitting alone. As I passed her pew on the way back she gestured for me to sit with her. She must have realized I was new. She was a very kind person and also a very good artist. I have saved 2 pieces of her art work that she sent in the form of Christmas cards. They were very nice and done in black and white. She will be missed. Carolyn Retzlaff 4/4/20.
