

Maria Antoinette Krampitz

March 30, 1960 - January 18, 2024

Maria A. Krampitz passed away on January 18th, 2024 at the age of 63 surrounded by her loving family and friends.

Maria is survived by her husband, James Krampitz; her children, Adam (Alysha) Roll, Jordan Krampitz, Anthony (Amber) Krampitz; her sister, Sheri Geromette, and her grandchildren, Wyatt, Lincoln, Walker and River. Maria is also remembered by her nieces; Isabella, Grace, & Ava, along with her cousins and friends.

Maria gained a passion for cooking from learning how to cook from her mother. She then went on to share that love of cooking with her family and friends. One thing she made sure of is that you didn't leave her house hungry, she did everything she could to feed you. Even if it was just settling for a beverage instead of food. Good luck if you thought you'd just stop by for a visit. You'd find yourself later on leaving at 10pm or later. We all shared lots of laughs with ridiculous humor. Even till the end her "I Love Lucy" type shenanigans kept everyone around her laughing and smiling. Maria was always there, and gave you a shoulder to cry on. She was always there for you when you needed her most. When it was her turn to lean on other people, she was able to lean on her loved ones and many doctors to keep her strength and faith going. Which made her love for U of M grow rapidly. GO BLUE! She enjoyed warm summer days sitting outside underneath the hot

sun listening to nature and admiring the beautiful flowers. She loved getting her hair & nails done and if you knew Maria, she couldn't leave the house without her hair done, even towards the end. She will be deeply missed by all who knew her.

“ Although I only worked with Maria for 2.5 years, she had a profound effect on my life. She was equal parts a tender, compassionate friend and hilarious person. We loved Pee Wee Herman, “White Christmas”, and listening to tabletop jukeboxes in obscure diners. She was a truly wonderful person.

*Lifting Maria's family in prayer that they all feel the love, compassion, faith and hope that Maria also reflected and lived her entire life by. I came up with a new word today: FRAMILY ! friends + family = family ! because of her always welcoming anyone and everyone so warmly and genuinely though not blood related didn't matter :)
back in the 80's the Troy Beaumont days we would have our monthly dinner rotating between peeps apartments and bring a dish to pass. What fun and laughter always.
In heaven do you think she is head of the cosmetology department doing new styles and colors for the angels and saints! She was ahead of her time I always thought!
so many souls are blessed for having known her, she will be missed.
Thank you Dear Lord for sharing her with us,
heartfelt hugs to all, Renee*

“ I remember meeting Maria years ago in my parents' kitchen when she and Jimmy were just getting married. My sister and I were concerned because of her Mother in Law, my Aunt, Inge; as Inge had a bit of a temper. We were worried that she and Jimmy wouldn't last and yet, Maria was sure that this was going to be her life. She and Jimmy proved us wrong and I'm so happy of the life that they had together. It wasn't always smooth, as far as that is concerned, but they were together. She loved all her boys: Jim, Anthony, Adam and Jordan. I hope that her boys remember her love for all of you. God Rest in Peace and May God with you all.
