“ Marian will truly be missed. I so enjoyed going to work and seeing her smiling face . She reminded me of my own grandmother who passed many years ago . Our last conversation was just that.. How she reminded me of her, as we folded her favorite blankets together and how we both loved how soft they were ❤️ You will truly be missed Marian❤� (Stephanie-Housekeeping)

“ Marian was the highlight of my evenings when coming in for work. I looked forward to her comical conversation, positive energy, and her kind words. She always told me how much she loved my hair up in a bun. I enjoyed the short time I spent getting to know Marian and I'm grateful for the opportunity to cross paths with such an amazing woman. She will always hold a special place in my heart. My deepest condolences, Jamika (Med Tech at Oakmont Sterling Assisted).

“ *Dear Evan and Sally,*

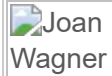

It was with much sorrow that I heard about the loss of your mother. I think often of the kindness she and your family showed me when we were growing up.

She was a remarkable woman. I shall miss her...

“ *Dear Neil, Fred and Evan,*

Your mother was a dear friend. Marian was kind and generous, and at critical times for me, wise and protective. She made her mark in so many ways, and will be missed.

There are lots of great "10 Mile" memories with your parents, capped off for me by the party for Neil when he passed the bar. What a great night!

Thank you for always being in my corner, and know that the Poterala family is, and will always be, in your corner, too.

With love and admiration,

Mike Poterala
