“ Marie was an owner and our neighbor at the townhomes of Deep Creek in Florida. We were very fond of both Marie and Ed. Larry will always remember picking her up at the airport the time she took the wrong luggage. They laughed themselves senseless over this on the way to pick up her new car, the green bonneville (which Larry bought for her with her money). She loved the car and had it for years which made us very happy. She was a wonderful person and we will miss her very much. May you Rest In Peace .
