“ Uncle Jack, Marte, John, Patty, Bob and Dick, Despite the miles that separate us, the Brady contingent of the Hart family have never been strangers to those of us here in Buffalo. Perhaps I have taken for granted that we would continue to meet for the July family picnics and family celebrations weddings.... Of course Marie would be there, she always was. I treasure my earliest memories of your family at the Hart family picnic in the park and fondly recall our brief stay in Royal Oak on the way to my first days at Notre Dame. Those vivid images, even now, bring happiness to my mourning heart. And I'm sure that your memories do the same. I know how much my mother enjoyed her recent visit with you and how happily she recounted how well Aunt Marie seemed, even playing the piano! What a great and lasting image! I regret that my work Call schedule does not allow me to travel with my mother and sister, Maureen, to be with you this weekend. I feel that I should return the favor that you have all given to us through the years and make the trek to Michigan. But, know that you and I are brought closer in our memories and prayers for Aunt Marie. God bless you all.

“ *Marie will be sadly missed. I first met Marie & Jack , at the Tabler's home, when I was a young girl. Over the years, when I would see Marie, she was always happy to see me and I her. She was so warm and friendly. I was so pleased when my son, Andy, married Marie's granddaughter, Katy. I knew that he would gain a loving grandmother. My condolences to all the family. May God give you comfort & strength during this time of sadness.*
