“ Grandma... We all love you and miss you dearly. You will remain in our hearts forever. You will never get to see me become a teenager on my 13 th birthday on June 21st... In person that is. I know you will be there for ever special thing in my life. I love you so much. Say hello to grandpa and Aunt Sheryl for me. I love you.

“ Marie, I have known you sience I was a little girl when I visited my Aunt Joan & Uncle Bill across the street from your house in Hazel Park. You always were so sweet, kind and caing. Even when I seen you through the events through the years, you never changed. Your family had a great role model in you. May you rest in peace and reunite with Jim & Sheryl. My prayers are with your family at this difficult time & may God Bless all of you and give you strength at this difficult time. Your mom lives on in your hearts and is only a thought away. When the sun is shining down on you, it is your mom wrapping her arms around you and saying "I love and miss you."

“ *Diane, Just heard about your mother. Christi and I will include your family in our upcoming prayers. Even though we never had the opportunity to meet your mother, she had to be a great lady, as children are true reflections of their parents - you are a special person. You are very special to us, as you have always shared with us your friendship! Respectfully, Danny and Christi*
