“ *All in time we will know the beauty and love of the heavens just like Mom and Dad know now. Mom and Dad are blessed to have had such Light and Love throughout their human experience and now they are both back in the arms of God. Know they watch over you and yours Cathy. Be at peace for they are without pain and know now what they came to learn on Earth. Peace to you and yours during this very difficult time. Have faith and be watchful of the miracles and messages because I'm sure there will be many....knowing Mom and Dad. Always and Forever, Julie*

“ Please except this letter of sympathy over your loss of your Parents. We know at this moment no one can fully understand the pain you are feeling at this time. God understands, He has true love for us and we can be sure he doesn't want this for us. He doesn't want us to be sad or to grieve. Read Revelations 21:4 that scripture speaks of the real hope that God holds for us.
