“ I can't even believe you are really gone. It don't seem real. I'm glad I have told you how much I love and appreciate you. I couldn't have done the toddler years without your help. You're supposed to be at their weddings. We are supposed to be old ladies teaching the grandkids to be crazy. My heart is broken. I've been through this too many times but never in a million years did I think it would be you. I'll never hear your crazy laugh again, I'll never see your face turn red cuz you get mad. Such a simple chic but you had such an impact on so many people's hearts and I bet you didn't even realize it. We didn't have to talk everyday but always knew we'd be right there if we were needed. I bet you were so happy to see your mom and I know pops was waiting for you too. I'll do my best to look out for Reva girl. Until we meet again my sweet sister friend, watch over the kids please. I can't do it alone. Love you so much!!! -Megan
