Beloved wife of Lawrence Bercel Sr. Loving mother of Catherine Steven Dicker Bercel and Lawrence Bercel Jr. Proud grandmother of Steven, David, Jacob and Emily. Dear sister of Sheila James Ward. Predeceased by her daughter in law Teresa Bercel on October 18th 2013. Marilyn was a wonderful cook, wife, mother and grandmother. Her talents in the kitchen were recognized family wide. Her apple, lemon meringue, and cherry pies were always recommended. She enjoyed playing cards, going to the casino, and watching the dogs race at Derby Lane. She also had fun crocheting, making lawn chairs and listening to books on tape. As a grandmother she was a "yes" woman. She lived to please her grand-kids and all her family. Food, cards, movies, or ice cream for breakfast were always grandma's treats. Marilyn was always busy doing things to touch others and brighten their days. She will be deeply missed. Memorial contributions appreciated to Kids Kicking Cancer in Marilyn Bercel or Zoe Bergen's name. “ My deepest condolences to the Bercel family, Marilyn's generous and caring manner will never be forgotten. May the promise that "there is going to be a resurrection" Acts 24:15 bring comfort and hope to the family. You can find consolation in such a time where you will embrace Marilyn again while death will be no more Rev 21:3, 4 and you can enjoy her company forever.

“ To the Bercel Family, Our deepest sympathy on the loss of Marilyn. She made the best chocolate chip cookies and shared them with us. My mother-in-law, in Alabama, loved her fruit cake, which we always took at Christmas. Harry Warholak Warhoops

“ I will so deeply miss Marilyn.I was blessed to meet her 13 years ago when she walked into my salon wearing her headset and she was instantly my friend. We sure had a lot of special conversations and laughter over the years.EVERYONE at the salon new her and loved her. She made us many of her wonderful baked goods even her fruit cake which I really did love-I never would eat them before.Yes I am the one who put those feathers in her hair,but she loved picking a new color each week and it became her trademark and it made her feel so good just like all her designed sparkled sweaters.I am so blessed to have had her as a special friend. May God Bless Larry and her family which she so dearly loved.Christine Mieszanek

“ Marilyn was always welcoming to all. So very kind to my family and me. My favorite treat was her fancy pound cake and cookies!!! Still don't know how she made those oatmeal chocolate chip cookies! Her crocheting is beautiful and my daughter Zoe wears it proudly. I have many fond memories with Marilyn and Larry.
