“ Dear Dan and Julie: I was looking on my pc for perhaps a phone number for you when I came across the obit for Dee. I am shocked to say the least even though we haven't seen one another for such a long time. I was watching golf and thinking of when Dee and I golfed on the league and had so much fun. We had so much fun during cookouts, and all other get togethers. I wish there was a way I could leave my phone number for you to contact me. I am living in Fort Collins, Co now and married to a wonderful man named Tom.

You are in my thoughts and prayers and I only wish I had known about this so I could have shown my respects.

Much love and Gods Blessings to you, Linda Lockman (Droege)
